

MICHAEL BORMANN'S JADED HARD

(Best of Jaded Heart 1990 – 2004)

Michael Bormann, known as the voice of numerous bands like J.R. Blackmore's Superstition, Bonfire, Zeno, Rain, Biss, Bloodbound, Letter X, The Sygnet, Redrum, a.s.o., is back in business.

He actually built up his name with his former band JADED HEART. JH was founded in 1990 by Michael. He used to be the main songwriter, singer and producer of the band.

It's been almost 14 years since the separation from Jaded Heart.

Over the years Michael was always asked to bring the old stuff back to the stage.

At the beginning of 2017 he took the occasion to put this into action.

MICHAEL BORMANN'S JADED HARD, as this new formation is called, now bring the old Jaded Heart Songs back to life with a Best of 1990-2004.

A new studio album is also planned for spring 2019.
